

Announcement of Draft Federal Operating Permit For Minor Permit Revision

Draft Permit No.: O2000

Application and Draft Permit. ExxonMobil Oil Corporation, PO Box 3311, Beaumont, TX 77704-3311, has applied to the Texas Commission on Environmental Quality (TCEQ) for a minor revision of its existing Federal Operating Permit (herein referred to as Permit) No. O2000, Application No. 35031, to authorize operation of the Beaumont Refinery, a Petroleum Refineries facility. The area addressed by this application is located at 1795 Burt St in Beaumont, Jefferson County, Texas 77701-6312. This application was received by the TCEQ on April 17, 2023.

The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code § 122.10. The draft permit, if approved, will codify the revised conditions under which the area must operate. The permit will not authorize new construction. The TCEQ Executive Director has completed the technical review of this application and prepared a draft permit. The TCEQ Executive Director recommends issuance of this permit. The draft permit and statement of basis are available at the TCEQ Web site:

www.tceq.texas.gov/assets/public/permitting/air/Title_V/announcements/table.htm

The permit application, draft permit, statement of basis, and all other relevant supporting materials, are available for viewing and copying at the Texas Commission on Environmental Quality Central Office, 12100 Park 35 Circle, Bldg. E, First Floor, Austin, Texas and at the Texas Commission on Environmental Quality Beaumont Regional Office, 3870 Eastex Fwy, Beaumont, Texas 77703-1830. Any person with difficulties obtaining these materials due to travel constraints may contact the TCEQ Central Office file room at (512) 239-2900.

Public Comment. Any person may submit written comments on the draft permit. Comments relating the accuracy, completeness, and appropriateness of the revised permit conditions may result in changes to the draft permit.

Written comments should be submitted to the Air Permits Division, MC-163, P.O. Box 13087, Austin, Texas 78711-3087 and received within 30 days after the publication of this announcement.

A notice of proposed final action that includes a response to comments and identification of any changes to the draft permit will be mailed to everyone who submitted public comments for this application.
